

BID THE JOBS THAT MATTER.

CONSTRUCTCONNECT PROJECT INTELLIGENCE FOR TRADE CONTRACTORS

Finding the perfect project and preparing your bid has never been easier with ConstructConnect. Our trade contractor platform brings together the entire bidding process with the only end-to-end preconstruction solution of its kind.

PROMOTE

Respond to invitations and get promoted to general contractors as part of the largest, most engaged network in construction.

PREDICT

Receive personalized recommendations for projects predicted based on the best fit in your trade, service area, total project value, and other preferences.

SELECT

Quickly review notes, documents, addenda, and up-to-date information on projects added to your watch list to stay organized and prioritize which opportunities to pursue next.

SHARE

Easily share projects, contacts, and company information in real time with team members, suppliers, and subs to improve collaboration.

PREPARE

Once you've selected a project to bid, seamlessly transition to performing digital takeoffs to prepare quick and accurate estimates.

MOBILE

Our full-featured mobile app gives you instant access from anywhere to keep you in control of all your preconstruction projects.

THE RIGHT INFORMATION TO THE RIGHT PERSON AT THE RIGHT TIME.
